

Massachusetts Computer Using Educators, Inc. October 1998

Instructional Technology Specialist SIG

Friday, October 2

- TIME: 4:00 - 8:00 PM
TOPIC: Macintosh Troubleshooting Workshop
LOCATION: Acton - Boxborough Regional High School, 96 Hayward Road, Acton
PRESENTER: Patricia Joy, Technology Integration / Network Specialist, Acton Public Schools
DESCRIPTION: When the computer doesn't work, is it a hardware problem or software problem? The class will explore how to discover the solution. Find out the easy steps to take when troubleshooting your workstation. We will discuss preventive maintenance, the key in keeping your Macs running! The class will look at shareware products like GURU, PDF troubleshooting guides, online resources, as well as Norton Utilities and Tech Tool Pro. If time permits we can explore Network troubleshooting too! Limit: 14 participants (first come first served).
DINNER: We will take a dinner break and several menus will be available so we can order in. Beverages and desserts will be provided.
CONTACT: To register and to get directions,
Paula Torrielli at 978/263-3909, Paula_Torrielli@mail.ab.mec.edu or
Elaine O'Reilly at 781/933-5218, email: oreilly@mediaone.net

Conference Committee Meeting

Monday, October 5

- TIME: 4:30 PM
LOCATION: Holiday Inn Worcester

Greater Lawrence Sig

Monday, October 5

- LOCATION: North Central School, (formerly Saint Mary High School) 300 Haverhill Street, Lawrence
TIME: 3:15
TOPIC: We will present a demonstration of one of Lawrence Public Schools' new software initiatives, adopted as a result of the Technology Challenge Grant's Professional Development Project, provided by WGBH. As always, delicious snacks and fabulous prizes will be available following the presentation, but remember, you MUST BE PRESENT TO WIN!
DIRECTIONS: From Rt. 93, take the route 110 exit, toward LAWRENCE. Route 110 is Haverhill Street. North Central is #300 Haverhill Street. Be on the lookout for large gray stone church on your right, NCE is on your left. (978) 681-6834.
